

Palmerston & Mellanear Park

LinacreOne and Merseyside Police have teamed up to respond to residents request to tackle anti-social behaviour around Palmerston & Mellanear Park. This includes young people drinking alcohol and causing a general nuisance on Friday evenings at peak time.

Throughout June and July Laura Lynch-Ierston and Mike Jump from LinacreOne with Colin Feenan, Gold Zone Police Officer, John Myers and Carl Francis, Community Support Officers have been patrolling Palmerston & Mellanear Park and the surrounding streets on Friday nights confiscating alcohol from youths and discovering reasons why anti-social behaviour is occurring in the area.

Please see Merseyside police website for full details of the projects outcomes: www.merseyside.police.uk
